

# Case File Export - Sample Claim

Claim ID: MP-MHZ-2025-000123  
Title Type: Individual Forest Rights (IFR) - Annexure II  
Holder: Ram Singh  
Village: Kusmi, District: Mandla, State: Madhya Pradesh

## Audit Log (recent events):

2025-07-01 10:12:03 | Ram Singh (Claimant) | Claim submitted (Form A)  
2025-07-05 15:22:11 | FRC Team - Kusmi | Field verification report uploaded (photos + GPS)  
2025-07-12 11:05:33 | Forest Officer - Range | Technical comment uploaded: working plan excerpt attached  
2025-07-20 09:30:00 | SDLC Secretariat | Hearing held; draft record prepared  
2025-08-10 14:16:20 | DLC - Collector | Title approved and signed (Annexure II)

## Evidence Bundle:

- ID\_Ram\_Singh\_Aadhaar.pdf | Identity Document (Rule-13) | Aadhaar matching name and address
- Residence\_Certificate\_Ram.pdf | Residence / Habitation proof (Rule-13) | Issued by Tehsil office, 2002
- GPS\_Trace\_FRC\_2025\_07\_05.gpx | GPS trace from FRC mobile app | Contains polygon vertices for claimed land
- Photos\_FRC\_2025\_07\_05.zip | Field photos (house, boundary markers) | Timestamped & geotagged
- Working\_Plan\_Excerpt\_1998.pdf | Working plan extract (supporting evidence) | Shows village boundary near claim
- Satellite\_Imagery\_2003\_2008\_2024.tif | Satellite imagery (supporting) | AI detection suggests homestead present in 2003

## Speaking Order (SDLC) - Sample:

SDLC Order dated 2025-07-20: After hearing and perusal of evidence, including Aadhaar, residence certificate (2002), working plan excerpt, and satellite imagery, the SDLC is satisfied that the claimant is a person entitled to Individual Forest Rights under the Forest Rights Act, 2006. The evidence indicates settlement on the land in 2003, prior to the commencement of the Act. No evidence of post-2005 encroachment was found. The claim is consistent with the village boundary shown in the 1998 working plan excerpt.

Order: Forward to DLC for final decision

Reasons: Consistent documentary & field evidence; no evidence of post-2005 encroachment

(Signed: SDLC Chair)

## GeoJSON (approved polygon) - Sample:
